

# Leverhulme Early Career Fellowships 2023

## Internal Competition Coversheet for University of Cambridge Applicants

<b>1 Your Details</b>		
<b>Name</b>	<b>Title (eg Dr, Mr, Ms)</b>	
<b>Your Email</b>	<b>Mobile Telephone No</b>	
<b>2 Title of Proposed Research for Leverhulme Early Career Fellowship 2023</b>		
<b>3 Proposed Host Institution: see list – you can only apply through one unit</b>		
<b>Proposed academic host at Host Institution</b>	<b>Title</b>	<b>Email</b>
<b>4 Submission of your doctoral dissertation: if you submitted your thesis before 23 February 2019 you will not be eligible unless you have had a career break or your doctoral research has been disrupted by the COVID-19 pandemic – in which case, you will need to provide full information if you wish your application to be considered. If you have not yet submitted, you must do so by 4pm on 23 February 2023 or you will not be eligible for the competition.</b>		
<ul style="list-style-type: none"><li><b>If you have <i>already submitted</i> your doctoral thesis, please give the date of submission.</b></li></ul>		
<ul style="list-style-type: none"><li><b>If you <i>submitted before 23 February 2019</i> but have had a career break or your doctoral research has been disrupted by the COVID-19 pandemic, please explain &amp; give dates:</b></li></ul>		
<ul style="list-style-type: none"><li><b>If you have <i>not yet submitted</i> your doctoral dissertation, give the date you will submit</b></li></ul>		
<b>5 UK degree or qualifying fixed-term employment: you must <i>either</i> hold a degree from a UK higher education institution at the time of taking up the Fellowship <i>or</i> at the application deadline hold an academic position in the UK (e.g. fixed-term lectureship, fellowship) on a contract of no less than 4 months. Please confirm this below by giving details of your UK degree/fixed-term academic position below</b>		
<b>6 If you were a <i>Cambridge undergraduate and have stayed here since</i>, you must explain why you need to stay in Cambridge for this fellowship: Leverhulme encourages academic mobility and a special case will be needed to stay in the same institution throughout your career to date – you must convince Leverhulme that you require access to a highly specialised research environment in your Cambridge host institution– either because of access to a particular piece of equipment or to particular expertise in a research team</b>
