5:30 Welcome and Introductions

5:40 Presentation Begins

- **Resonancia**

- Takeaway: every person, every place, every thought, every thing has a resonance

- **Xopan Cuicatl**

- Spoken word poem From *Cantares Mexicanos* (16th cent. Nahuatl songbook)

"I am playing my huehuetl,
Estoy tocando mi huehuetl,
I who hunt for songs to awaken and fire our friends
whose hearts lie listless,
Yo, que cazo canciones para despertar e inspirar a nuestros amigos
cuyos corazones yacen apáticos,
for whom the day does not yet breathe
Para quienes el día aún no respira,
for those who sleep in comas,
para aquellos que duermen en coma,
for those who glory in gloomy night when
the flowering dawn already sings her song
para aquellos que se glorían en la noche sombría,
cuando el amanecer floreciente ya canta su canción,
and when once again morn lightens the place
where the huehuetls play....."
y cuando una vez más la mañana ilumina el lugar
donde tocan los huehuetls "
